Symposium ImprovEAW

Bringing it all together ...

Hans Kijlstra

Three observations

1. It has become complicated
2. No real dialogue between judicial authorities
3. No substantial proportionality assessment

Three ‘recommendations’

1. Let’s make and keep it simple
2. Let’s get together
3. Let’s take proportionality seriously

Three ways to simplify

1. A Regulation instead of a Framework Decision
2. Only judges as competent judicial authorities
3. Technical matters (esp. EAW-form)

Entering the dialogue

- Surrender is based on **cooperation**
- Judicial authorities should enter into a **dialogue**
- The practice: two consecutive monologues

Proportionality next level

- All available instruments of cooperation
- Impact on requested person
- Effectiveness (including time and money)
